

ACME CORP - Q3 REVENUE FORECAST  
CONFIDENTIAL - INTERNAL ONLY. Do not distribute.

Prepared for the board meeting on 14 October.

1. Summary

Revenue forecast for Q3 is tracking 8 percent above plan. The burn rate improved after the vendor renegotiation closed in August. Runway projection now extends to 19 months.

2. Outstanding items

The cap table needs updating before the term sheet is countersigned. Board minutes from the July session are still in draft.

3. Billing escalation (from support)

Customer disputed a duplicate charge on card 4111 1111 1111 1111. Refund approved; finance to process this week.
