

TEAM OFFSITE - PLANNING NOTES

Date: second week of November, two full days.

Location shortlist: Coorg, Wayanad, or somewhere near Bangalore with reliable wifi and space for a workshop session.

Agenda ideas

- Morning: retrospective on the last two quarters
- Afternoon: roadmap workshop, split into three groups
- Day two: a long walk and an unstructured conversation

Someone should book the venue before the end of the month.

Budget is roughly what we spent last year plus a bit.

Open question: do we invite the contractors? Leaning yes.
